

Perfect for narrowest spaces!

FLEX

WSE 7 Vario Set

Handy-Giraffe®
wall and ceiling sander

- Electronic control: controlled constant speed, soft-start, overload protection and speed selection with adjuster wheel
- Completely cast electronic components prevents damage due to metal dust. The 3-fold winding protection reduces motor wear, increases service life
- Grip hood for easy handling and precise working
- With interchangeable head system for round- and triangular sanding head for sanding close to edges
- Effective dust extraction from between the brush ring and the sanding pad (round) and through the 10 hole extraction ports prevents clogging of the abrasive and promotes a healthy, dust-free working environment
- The brush ring is spring-mounted so that the round sanding head accurately follows all uneven contours. This allows the head to be applied with fingertip precision and also prevents any dust escaping
- Backing pad with hook and loop face
- Defined hose guidance and effective dust extraction due to large hose cross-section. The suction hose is directly attached to the tool by the FLEX clip-system
- Lightweight and easy-to-use on small surfaces, tight spaces
- Ideally suited for sanding plaster boards, solid styropor insulation slabs, preparation for painting

WSE 7 Vario
without sanding head
Order no. 377.821

WSE 7 Vario Set
with round sanding head
with carry case
Order no. 385.166

WSE 7 Vario Plus
with round and triangular sanding head
with carry case
Order no. 385.190

Carry case

Order no. 366.641

Impact-resistant plastic. With enough space for sanding heads and velcro paper.

Round sanding head

Optimally suitable for finishing large surfaces on walls and ceilings. Effective dust extraction, high surface removal rate.

QP	Order no.
1	350.346

Velcro triangular backing pad

Backing pad for plaster or hard filler compounds in drywall construction, for use with velcro backed abrasives.

QP	Order no.
1	354.988

Triangular sanding head

Ideally suited for the processing of corners and edges. The eccentric movement of the sanding head guides the sanding tool directly up to the edge. With exchangeable protective corners with sliding strips.

QP	Order no.
1	388.289

Antistatic vacuum hose

Antistatic suction hose Ø 32 mm x 4 m with snap coupling and coupling bush for vacuum cleaner incl. universal adapter (320.188) antistatic.

QP	Order no.
1	354.953

Velcro backing pad Ø 225, round

Soft. Highly flexible backing pad. Facilitates handling and allows for sensitive working. Prevents damage (swirl marks) when the pad touches the surface. For use with velcro backed abrasives.

QP	Order no.
1	366.862

soft	1	366.862
-------------	---	---------

Medium backing pad for sanding down soft fillers. Velcro system for fixing of abrasives.

QP	Order no.
1	352.306

medium	1	352.306
---------------	---	---------

Hard backing pad with high removal rate, with use with velcro backed abrasives.

QP	Order no.
1	350.362

hard	1	350.362
-------------	---	---------

Clip adapter

For connecting a FLEX power tool to extraction units from other manufacturers. Suitable for hoses inside Ø 27 mm, outside Ø 36 mm.

QP	Order no.
1	380.377
